

**Amendments to the Specification:**

Please delete the section entitled "ABSTRACT" (page 15) and replace with the following replacement section:

A die storing and organizing system ~~comprises~~ includes a holder for storing and organizing crimp dies, the holder having a first side and a second, opposite side. The system further ~~comprises~~ includes a plurality of apertures in the holder, each aperture extending from the first side to the second, opposite side; wherein each aperture is adapted to receive a die pin.
